little starfish // kids' pedicure | \$35

inspired by the beauty and energy of the south carolina coastline with its clear blue skies, endless sand dunes, and fresh ocean air, the spa at sweetgrass is a gathering place to retreat and slow down; to rejoice and celebrate, and to reset and discover.

rooted in philosophies of nature with a focus on the healing powers of the ocean and the natural elements of the earth, the spa at sweetgrass provides a space to de-stress from life on the go; to restore physical and emotional balance; to detoxify while increasing energy; to improve sleep, and to boost vitality and immunity. a place where you naturally evolve to be your best self.
